Our Missions Make History— Be There!**

Speaking with Noam Shnat
Sherut participants

The January Masorti Leadership Mission made headlines with its historic minyan at the Knesset, but equally significant were the meetings with Knesset Members and Ministers. Such a success, it immediately generated requests for another mission.

No longer is Masorti a group to be ignored. Ministers and Members from across parties met with our members to discuss the religious environment in Israel, its future, and the roll of Masorti in Israel.

Other highlights included a special meeting with former Mossad Chief, Meir Dagan and visits to the many, many Masorti communities, both solid roots for our movement and new branches.

Our next mission is scheduled for the morning of Monday, December 3 through the evening of Thursday, December 6 (not including travel time)

This is **not an opportunity to be missed!** Sign up for the next historic mission!

**New Masorti
Leadership Mission**

The January 2012 Masorti Leadership Mission makes headlines and history with the first Masorti minyan at the Knesset.

Because our Leadership Missions draw participants from across North America, it no longer makes sense to try group flights.

Israel Tour Connection (ITC), the Masorti Affiliate travel agency, will be glad to assist with travel plans, but the mission is priced for land only.

Four days, three nights (two nights at the Mamila in Jerusalem), including breakfasts, lunches, and dinners three of the four nights. We expect pricing to be slightly under \$1000, with a single occupancy add-on of \$255 USD.

I urge you to join us, and encourage other lay leaders and your rabbi to join as well. You will be amazed at what you'll learn.

Join us for this special mission. It is not to be missed!

Our missions, and the special pricing we are able to offer, are possible because of the efforts of Larry Ritter at ITC. A special thanks to Larry and Israel Tour Connection, for all his support of the Masorti Foundation.
